174 100 116 100

A diagram of the ventral nerve cord of a 53A specimen. The cord is shown in a longitudinal view with various segments labeled. The segments are numbered as follows: 104, 112, 108, 116, 118, 102, 138, 100, 103, 112, and 174. The segments are arranged in a descending order from top to bottom, with 104 at the bottom and 116 at the top. The segments are interconnected by a network of fine lines representing nerve fibers.
